Powley Issues Statement

M. A. Gooding, local manager of the telephone company, said that telephone users here would be interested in the statement by N. R. Powley, President of the Pacific Telephone and Telegraph Company, accompanying the dividend checks mailed today to common shareholders. Powley stated:

"Telephone demands for additional service, both exchange and long distance, continue at new high levels.

"Government regulations now in effect further restrict the amount of new material that may be used for the installation of telephones, provision being made, as formerly, for putting first the installation of telephones required for war and essential purposes.

"The increase in long distance traffic continues to be extremely heavy, especially on the longer hauls to and from war activity centers. Although every effort is being made to handle all calls with efficiency and dispatch, the unabated increase in traffic subjects more and more calls to delay. We have, therefore, recently intensified our advertising program urging that the public refrain, so far as possible from making long distance calls to and from war activity centers. We are also urging the public, whenever circuits are extra busy, to limit conversations to five minutes in order that we may be of all possible service to others who may be waiting. The voluntary responses on the part of our many patrons, which we gratefully acknowledge, bespeak a most helpful attitude and sympathetic understanding. Our every endeavor is dedicated toward our company playing its full and effective part in our Nation's all-out war effort.

"There are now more than 4000 of our personnel in the armed forces as compared with the more than 1400 a year ago."

S.C. Takes Court Action

The City of San Carlos today had taken action in superior court at Redwood City in an effort to have a fertilizer plant in the city limits removed.

The city, through Mayor A. H. Sagehorn, filed an injunction against James W. Jones, owner, F. D. Saunders and Associated Chemical Co. A permanent injunction enjoining the use, occupation and maintenance of the property, in back of residents on Phelps Rd., and removal of all materials used in the manufacture of fertilizer is sought.

It was charged that the company had started the manufacture of fertilizer on the property without the knowledge of the city, and that the "chemicals, animal and vegetable matter emit noxious and offensive odors and gases which are offensive to adjacent residents, businessmen and customers."

Jurgensen Wins District Deputy Post

Edward J. Jurgensen of Redwood City, junior past grand knight of San Mateo Council, Knights of Columbus, was appointed district deputy of the eighth district for the coming year by the new state deputy, Edwin C. Boehler of Los Angeles, at a district breakfast meeting held in San Mateo yesterday.

Dr. Wesley Taylor Alternate Delegate

Dr. Wesley H. Taylor, Redwood City osteopath, has been elected an alternate in the House of Delegates of the American Osteopathic Association to be held in Detroit, Mich., July 16-20.

The program of the conference will emphasize the health problems of wartime.

Dr. Taylor is an official of the local Lion's Club.

Ice Follies Breaks Attendance Record

After establishing new attendance records in 20 major cities from coast to coast, the Ice Follies of 1943, the Shipstads' and Johnson's musical revue on ice, is back home at Winterland in San Francisco, for the fifth successive year of what the critics have acclaimed "the No. 1 entertainment of the nation."

All previous attendance records have been broken on the current tour of the Ice Follies. Boston, New York, Montreal, Seattle, Philadelphia, Washington and Chicago, set new attendance records in their mammoth ice palaces, and judging by advance interest locally San Francisco will surpass its attendance record of last season.

Nothing has been spared to make the current edition of the Ice Follies the most spectacular production of its seven year history. Production numbers such as "Nursery Rhymes," "Indian Legend," "Arabian Nights," "Sunday - Go - to - Meeting" and "Dress Parade" combine multi-colored lighting, gorgeous costuming and brilliant decor to make Aladdin-like magic of a rapid fire spectacle in motion.

New luminaries of the skating world have been added to the cast of long-time San Francisco favorites. Among the former are the "blonde blitz" Betty Atkinson, the Irish-Canadian beauty, Norah McCarthy, and the Nova Scotia whirlwind, Michael Kirby. Stand-bys of the Ice Follies who will again grace the Winterland rink are Mae Ross, Roy Shipstad, Bess Ehrhardt, Osborne Colson, Fran Claudet, Eddie Shipstad, Oscar Johnson, Frick and Frack, Ruby and Bobby Maxson, Bobby Widholm, Murray Galbraith, and last but not least the 60 beautiful girls comprising the Ice Follies.

As a special convenience, so that patrons may fully avail themselves of transportation and other facilities operating under wartime schedule, the nightly performances will commence at 8:00 p.m. instead of at 8:30 p.m. as in other years.

Redwood City Pioneer Dies at Home

Mrs. Bertha (Mother) Werder, 93, one of the pioneer residents of Redwood City and mother of leading citizens of San Mateo County, died early Monday at the family residence, 635 Hamilton St., where she had lived for the last 50 years.

Born in Germany Apr. 2, 1850, Mrs. Werder came directly to Redwood City from Europe 64 years ago and had made her home here continuously since that time.

It was on this visit to America that she met Ludwig Werder whom she married and she never returned to her homeland. Her husband, a veteran of the Civil War and a past commander of the Redwood City post, Grand Army of the Republic, died in 1925.

POOR HEALTH

Mrs. Werder had been in poor health for some time and had been confined to her bed for four months. She celebrated her 93rd birthday in April with a quiet party when members of her family came to call. Death came quietly at 3:30 Monday morning.

Until her health began to fail, Mrs. Werder was an active member of the First Congregational Church and of the Gen. George S. Evans Corps 36, National Relief Corps of the Grand Army of the Republic.

RELATIVES

Mrs. Werder is survived by four sons of Redwood City. They are Ernest H., Berthold L., Ludwig E. and Henry A. Werder. Grand-

children include Benton B. Werder of San Carlos; Ernest H. Werder II, Redwood City; PFC Lawrence L. Werder of the army; Lt. William M. Werder of the navy; Mrs. Cole Stafford of Redwood City. Great grandchildren are Diane M. Stafford, Gilbert, Betty Lew and William E. Werder. Funeral services were held yesterday at Franklin & Crowe Mortuary. Rev. Charles E. Ward, pastor of the First Congregational Church officiated.

San Carlos Drill Termed Successful

SAN CARLOS—Thirty incidents were handled last night in an incident drill involving eight districts here. All were taken care of in less than three-quarters of an hour and the incidents came through quickly. A. H. Sagehorn, commander in chief, stated today.

The whole setup shows improvement at each incident drill, Sagehorn said. Mrs. Gladys McArdle, in charge of the first aid center at the city hall, said that all casualties were well handled, and that bandaging was particularly well done.

Maneuvering menus for over the Fourth

If you want to have a holiday with the rest of the family over the Fourth, then do a bit of maneuvering with the menus for the long week end so that you can have some time off too. A little forehanded preparation is all it takes.

MENU STRATEGY

To begin with, plan your menus for the full week end, arranging them so that one day in the kitchen can do the work for two days' eating. Serve the first dinner of the week end hot and family style and for the second day, plan a picnic-style dinner in the backyard, in a nearby park, or in the country.

Next, plan your shopping list in full and do all the shopping for the full week end at one time. As a pattern to follow, we suggest the following menus to be altered to your needs.

FIRST DAY'S MENU

A Roast of your Choice
Mashed Potatoes Cream Gravy
(Make plenty for the next day)
Steamed Asparagus with Sieved Egg Yolk and Vegetable Oil Topping
Hot Bread Butter or Substitute
Deep Dish Berry or Fruit Pie
Beverage

SECOND DAY'S MENU

Sliced Cold Roast on Sandwich Buns with Mustard-Mayonnaise
Mashed Potato Salad
Tomato Cole Slaw
Additional Buns Butter or Substitute

MENU COMMENTS—As you see, the second day's menu is built on the first day's. Just a few last-minute preparations are needed to turn out a grand picnic-style dinner. That leaves the entire day free to enjoy some leisure. It is easy to entertain using this method, too, because everything is done the day before in one fell swoop. If the crowd is large, then just slice the meat, lay out the buns and makings and let everyone assemble his own sandwiches. Everyone will enjoy the informality of service, and you can enjoy the fun too.

OTHER WEEK END MEALS—When there's a bit of leisure time, as there will be in a number of homes over the Fourth, then plan for the breakfast to be a leisurely affair. That is the essence of luxury for daily workers. Make it a hearty breakfast so that it will hold appetites for a while. Dinner may be a late meal and if another meal is in order, make it a "raid-the-refrigerator" affair.

Remember to include foods for breakfast and snacking on the shopping list. Then you'll be ready to meet any emergency.

WRITE-A-FIGHTER: Members To Compete for Show Seats

Members of Write-a-Fighter Club squadrons in Redwood City will have an opportunity to compete for three and possibly more \$1000 seats for the Information Please radio show in San Francisco July 12, Mrs. B. John Nordstrand, adviser, said today.

Competition will be limited to members of the present eight squadrons and members of any other squadrons who organize on a permanent basis before tomorrow evening.

The seats will be awarded to youngsters who accomplish the most in behalf of the war effort during the period starting tomorrow and ending July 10. Each competitor must keep receipts of his work to be used in the final judging.

Collection of tin cans, scrap, grease and participation in other types of war activities will

count in the contest. The three \$1000 seats, obtained through the purchase of war bonds, have been donated by a San Francisco firm. Henry Beeger, Dave Avarich and an anonymous donor in Redwood City have contributed one \$500 bond apiece and club advisers hope that others will contribute to purchase at least one more \$1000 seat. Donations must be in before tomorrow, however.

New squadrons may enroll and contributions can be made by contacting Mrs. Nordstrand at RC 333.

Employees File Papers

SAN MATEO—Articles of incorporation of San Mateo County Employees Assn. are on file today with the secretary of state. The papers, prepared by Atty. R. H. Cosgriff of Burlingame, list as directors Emil G. Stein, Bruce Martin, Helen J. MacGregor, William Wilkins, Adrian S. Ward, Adolph Waldeck, B. G. Kost, Bradley Smith, Mura Stilleon, Theodore Bloomquist and William Curtis.

William Wilkins has been named as treasurer. The association will meet July 25 to vote on adoption of by-laws.

The principal purpose for incorporating, according to the articles filed, is to "promote the general welfare of the employees of the various departments of the San Mateo County government, for the mutual protection of its members, for the maintenance and operation of recreational facilities, for the promotion of social activities and for the improvement and advancement of public service."

The largest of the Channel Islands is Jersey, with a total population of 50,400.

FBI To Probe Possible Sabotage

The Federal Bureau of Investigation this week was investigating possible sabotage of defense materials in Redwood City.

Richard F. Tuttle, 129 Hillview Ave., machinist at the National Motor Bearing Co. plant, said that Monday morning when he looked into his garage where he had been doing defense work he discovered that materials had been damaged.

He said that a window had been broken and the door unbolted from the inside. Sabotage, and not burglary, was the motive, Tuttle believes, as his tools and machinery were not disturbed. An elastic belt on a lathe was cut and defense materials were bent.

The case was reported to the Redwood City Police Dept. and the FBI was to enter the probe.

On Guadalcanal—

"One morning we installed a transformer. At noon a Jap bomb scored a direct hit with a thousand pounder and we couldn't tell which direction it went..."

This is a war in which technical civilian skills are proving invaluable on many fighting fronts.

Down in Guadalcanal, for example, when the U. S. Marines pushed the Japs off the island, a complete electric system was left behind by the fleeing Nips. It had been pretty thoroughly bombed and strafed, but an electrical repair crew from the U. S. Navy Task Force came ashore and went to work.

Day after day and night after night the Jap flyers came back to send bombs crashing down on the men as they repaired the electric system. But skilled hands used to "trouble shooting" back home worked right through the storm of war to put the generators, the transformers and the lines back into service. Now the lights are on, refrigerators are humming and electric razors are trimming beards with electricity from what the boys affectionately call, "The South Seas Light and Power Company".

This company feels particular proud that two of the valiant electricians were former P. G. and E. employees, Chief Electrician's Mate William J. Evans, a line foreman at Tracy, and Asa S. "Ace" Anthony, an electrician's helper from Emeryville.

As this war goes on, there will no doubt be many stories about the men of this company, who are now more than 2300 strong in the armed forces. Each one is fighting to see that the lights stay bright wherever our flag flies.
